The Design Directory

HOW, Print and I.D. magazines (part of F+W Media) bring you The Design Directory, the most comprehensive resource directory for designers seeking services, vendors and partners. From stock imagery and typography to paper and printing, you will find the information you need to produce your best work, serve your clients needs and succeed in your business.

Search the directory using keywords, or use the top navigation or right-hand links to browse by category or alphabetical listing.

If you are a provider of products or services to the design industry and would like to be included in The Design Directory, [click here](#) for more information.
